

Products OCC-D6LC-LC-3M

Enterprise Connectivity

Fiber Optic Jumpers

Description:

Get exactly the jumper you need to make the transition from cross-connect point to the electronics. With unmatched insertion loss and exceptional return loss performance, OCC's comprehensive line of fiber jumpers ensures the right connection every time. Each polish is 100% tested and every assembly is provided with corresponding test data. Available in simplex or duplex, Multi-mode (50/125 or 62.5/125) or Single-mode and a variety of connector types and lengths, OCC's jumpers can be ordered to customize any fiber optic protocol.

Features:

ISO certified

Telcordia GR-326-CORE compliant

Automated polishing equipment

Interferometer testing for End-face geometry

100% testing on Multimode for insertion loss

100% testing on Single-mode for insertion and return loss

Multi-Fiber distribution cables, single or dual ended terminations

Discrete connectors utilize ceramic ferrules

Custom jacket colors for security applications

Any specified length available

PC polish is standard
